

**Alligator (Walton County)
Florida LAKEWATCH Bathymetric Map**

Florida LAKEWATCH personnel created this map using differentially corrected global positioning equipment (GPS, UTM 16N, WGS1984). Data were collected May 4, 2011. Map contours are in 1 foot increments and were generated using kriging technique in Surfer® software package (Golden CO). The center of the lake is located at Latitude N 30° 20' 6.6" and Longitude W 86° 10' 26.58". On this date, the lake surface area was calculated at 10.7 acres (4.3 hectares). This is only an approximate bathymetric map and should not be used for navigation.
