

**Eastern (Walton County)**  
Florida LAKEWATCH Bathymetric Map

Florida LAKEWATCH personnel created this map using differentially corrected global positioning equipment (GPS). Data were collected July 28, 2000. Map contours and map scale are in feet and were generated using kriging technique in Surfer® software package (Golden CO). The center of the lake is located at Latitude 30°18'36" and Longitude 86°5'36". On this date, the lake surface area was calculated at 58 acres (23 hectares). This is only an approximate bathymetric map and should not be used for navigation.
