

**Stallworth (Walton County)  
Florida LAKEWATCH Bathymetric Map**

Florida LAKEWATCH personnel created this map using differentially corrected global positioning equipment (GPS, UTM 16N, WGS1984). Data were collected May 4, 2011. Map contours are in 1 foot increments and were generated using kriging technique in Surfer® software package (Golden CO). The center of the lake is located at Latitude N 30° 21' 23.78" and Longitude W 86° 15' 44.9". On this date, the lake surface area was calculated at 11.7 acres (4.7 hectares). This is only an approximate bathymetric map and should not be used for navigation.
